

Art Journaling with Dawn DeVries Sokol - Week 4

For our final class, let's hit the road! This class is all about seeking inspiration from the world outside your home or studio. Dawn treks across San Francisco with her pens and journal, taking in the sites, smells, and overheard bits of conversation and incorporating them into her artwork. This class is chock full of ideas for looking, listening, and doodling on the go, whether you're sitting at a local coffee shop, exploring a new city, or lounging beneath a tree in a park.

Week 4 - Sketching on the Go

- Ideas for sketching and documenting what you see and hear
- Optimal tools and materials for sketching on the go
- Tips for collaging with found pieces
